Orientation Leadership Project (OLP) has been carried out at METU NCC since 2008-2009 Academic Year to run the orientation program effectively. The project is coordinated by Student Development and Counseling Center (SDCC) and run by “orientation leaders”. Orientation Leaders are senior METU NCC students who volunteered to assist you during the orientation program and in your first year at METU NCC. These reliable senior-students will help to find answers to your questions about campus life. As soon as you are accepted to METU NCC, an orientation leader will be assigned to you and you will receive a welcome mail from your leader. Before your arrival you can direct your questions via e-mail to your orientation leader.

Orientation leaders will welcome you at airport and help you in dorm registration, registration to university and courses, and getting to know campus. When you arrive on campus please also get in touch with the Orientation Office*, situated in the shopping center on campus, via telephone or by directly going to the office to get into contact with your orientation leader (if you have not met him/her till then) and to be informed about all the details of the orientation program.
The orientation office will be opened on September, 6th
