

2019-2020 SUMMER SCHOOL ANNOUNCEMENT

The 2019-2020 Academic Year Summer School will be held **online**. Summer school registrations and advisor approvals will be held interactive between **12 August 2020 and 14 August 2020** (until 16:00) for METU Ankara and METU NCC courses. Advisor approvals will be given remotely by academic advisors (you do not need to be on campus for advisor approval). It is recommended that our students, who will take courses in summer school, carefully read the explanations in this document. Summer school classes will start **on Monday, August 17, 2020** for Undergraduate Program students, and **Tuesday, August 4, 2020** for English Preparatory Program students. Final exams will end on **September 28, 2020**.

Courses to be offered

You can find the courses to be offered at METU NCC and METU Ankara campus via SAIS Program 64 https://oibs3.metu.edu.tr/View_Program_Course_Details_64/

Programs and departments can make changes about the courses until the registration date. Therefore, you should check the courses before the registration period. Course schedules will be available at CET.

Summer School Rules

Course registrations and advisor approval dates are the same for METU Ankara and METU NCC courses. Our students have to take the courses to be opened in METU NCC in METU NCC. Courses opened in METU NCC will not be accepted to be taken in METU Ankara campus. Please note that you cannot take one course from Ankara Campus and one course from NCC. One lesson cannot be taken from KKK and one lesson from Ankara.

Please note that the criteria and quotas for the courses are managed by the related programs and departments. **METU NCC Registrar's Office is not responsible for the management of criteria and quotas.**

You can take at most two courses (no limit on the number of credits). Dropping courses or withdrawal from courses is not possible in summer school. Interactive course registration system will be accessible on August 12th, 2020 at 09:00 to on-campus and other users. You don't need to be in the campuses to complete the registration and advisor approval procedures. Advisors will approve your courses remotely. System will close on August 14th, 2020 (at 16:00).

We will announce the courses to be closed due to insufficient enrolment on August 14th, 2020. Academic advisors and/or program coordinators should approve the courses to be taken at NCC or Ankara Campus. Please keep in touch with your Academic Advisor and/or Program Coordinator. Courses not approved by the academic advisors will be dropped by the Registrar's Office after the interactive registration period. Students with probation status by the end of the spring semester can take only the courses they have taken before.

Due to the three-semester rule, courses taken before, with a DD or higher grade, the 2018-2019 Spring Semester cannot be taken during the 2019 - 2020 Summer School. This rule does not apply to probation students.

Prep school students who have passed the EPE before the registration period can take courses. They have to inform the Registrar's Office and apply for it.

Note for Engineering Students: You cannot take the courses below in Non-Technical Elective category. History of Jazz (MUS 231, MUS 232, MUS 331, MUS 332), History of Music (MUS 241, MUS 242),
