- NOTES: **Dormitory fees include VAT.** Fees can be paid in full or in 2 or 4 instalments. **Late instalment payments will be penalized with a monthly interest of 10%.** You can make dormitory fee payments via Money Order/EFT to the specified account numbers or **Credit card payments can be made at the Directorate of Dormitory. Interactive/remote payments are not allowed.** The fees will not be refunded except in cases of force majeure (i.e. withdrawing from study due to failure in the METU English Proficiency Exam, suspending study by obtaining approval from the University, obtaining a leave of absence from the University due to health reasons). If a decision is made that a student is entitled to a refund, the deduction is calculated based on the formula: Dormitory Fee Per Semester / 120 * 1.6 * Number of Days Spent in the Dormitory (calculated from the opening date of the Dormitory). **It is mandatory to pay the dormitory deposit fee before entering the dormitory.**

The decision regarding the opening date of the Dormitory for the first semester and its opening/closing dates for the second semester is taken by the METU NCC Executive Board of Dormitories. For the first semester, the Dormitory will close on the date following the last day of final exams. Students registered for a room for only the first semester are required to vacate their rooms on the closing date of the Dormitory. If a student who has stated that he/she will stay only for the first term wants to stay for the second term as well, he/she is considered to have paid with the 2 instalment option and must pay the 2nd term dormitory fee in 2 instalments together with the instalment difference of the first term.

Those who will stay in the Dormitory during the second semester as well will be able to leave their personal belongings in their dorm rooms during the semester break, provided that they pay their fees on the dates mentioned above. The Dormitory will remain open during the semester break and students who do not leave for semester break and who have paid their second semester fees will be able to continue staying in the Dormitory.
