METU Northern Cyprus Campus hosted the METU Day ceremony and a gathering of prospective graduates.

METU now has an 18-year history in Cyprus!

The pride of METU Day celebrations, combined with the great excitement of graduation, filled the air all around campus.

As the academic year 2022-2023 draws to a close, the joy of METU Day, held to commemorate the founding of METU, and the excitement of graduation once again fill the air all around campus.

In his opening remarks for the celebration of METU Day, Prof. Dr. Mehmet Tevfik Zeyrek, President of METU Northern Cyprus Campus, stated that METU celebrates the 67th anniversary of its founding in Türkiye and now has an 18-year history on its Northern Cyprus campus. Professor Zeyrek said METU was one of the greatest assets of the Republic of Türkiye, noting that its Northern Cyprus Campus was a visionary project for the era in which it was founded. He assured the audience that the Northern Cyprus Campus of METU had a bright future ahead. “In Northern Cyprus, METU will last forever,” the President said. As part of the traditional METU Day celebrations, staff members took part in a photoshoot, and plaques of appreciation were presented to those who had completed their 10th year of service on campus.

317 prospective graduates gathered at the special meeting, which was conducted following the ceremony. Students had the opportunity to enjoy dinner on the lawn of the Campus with faculty and friends following the traditional graduation photoshoot. The graduating students will receive their diplomas on July 19, 2023, at METU Ankara. Graduates of the METU Northern Cyprus Campus are awarded their METU diplomas at the ceremony, which is held annually in Ankara.
