****PHY 105 Lab** will not be opened during summer school. Hence, only students who have taken (and passed) the lab in or after the 20162 (Spring Semester) can register for PHY 105. Those who took the course and passed the lab earlier than the 20162 (Spring Semester) cannot register for the course.

****PHY106 Lab** will be opened during summer school. Students who have taken (and passed) the lab in or after the 20162 (Spring Semester) need not take the lab again unless they are willing to do so for a higher lab grade. Those who took the course and passed the lab earlier than the 20162 (Spring Semester) must take the lab again.

Summer school courses are generally offered as a group and the quota for each group is very limited. For this reason, students of Ankara Campus will not be able to add these courses interactive course registration system between the dates 25-27 June, 2019. Ankara Campus students who want to take courses due to justified circumstances are required to follow the procedure below. A petition must be submitted to the department secretary in Ankara Campus regarding course registration approval request. The courses will be added by the Registrar's Office of Ankara Campus in case of a positive decision by the department board and then the faculty board, and if it is approved by the Registrar's Office of Northern Cyprus Campus.

Other university students are required to apply as a special student. Information can be obtained from the Registrar's Office of METU NCC (E-mail: nccreg@metu.edu.tr)

Payment: The tuition fees per credit for the students of the Ankara Campus are the same as those determined for the Ankara courses. Following the same procedure, the fee per credit must be paid to the Ankara Campus account. The tuition fee per credit for other university students is 128 USD (For international students).

Dormitory: Students who would like to stay in the KKK dormitories in the summer school can be place to Dorm 3. For information you can contact with responsible dorm managers via Tel: +90 392 661 2410 / +90 392 661 33.
