

IMPORTANT:

If the project team involves project managers/researchers/advisors working for TÜBİTAK/research institutes of TÜBİTAK, the project managers are responsible for obtaining the approvals of the director of the relevant institute and President of TÜBİTAK and submitting the "TÜBİTAK's Approval Letter", accompanied by the required hard copies of the project application documents, to the Research Funding Programs Directorate by the deadline for the relevant program, by the end of the work day.

The scientific committee will not evaluate the projects that fail to submit a Project Approval Letter issued by TÜBİTAK by the deadline. Such projects will be rejected and returned to the applicants.
