

WAIVER FORM

A completed Waiver Form, accompanied by the hard copies, must be submitted to our institution by the deadline in cases when a rejected/returned project proposal is resubmitted to our institution for review with/without content revisions; and if the individual/individuals referred in the rejected/returned proposal as the right owner(s) is/are not mentioned in the resubmitted version. The project proposal will be rejected and returned to the applicant if the application is not accompanied by a Waiver Form, which is required, or if the Waiver Form is submitted late.
